Analysis Notes:

Last updated: April/2014

New York Fries attempts to provide nutrition and ingredient information regarding its menu items that is as complete as possible. Some menu items may not be available at all restaurants. Test products, test formulations, regional products and/or limited time promotional products have not been included. The nutrition and ingredient information is based on standard product formulations, standard product assembly and standard serving sizes. Actual sizes and assembly may vary. Due to the individual preparation of each of our menu items, actual values may vary from those listed. Variations may also occur depending on the local supplier and region of the country. Further, product formulations change periodically. Serving sizes may vary from quantity upon which the analysis was conducted. This list is effective as of December 12, 2013 and is updated periodically. Items included may be subjected to change without notice. Allergens listed here in foods are reported by our suppliers. New York Fries is a fast food environment, serving foods that are not in sealed packages; therefore, unfortunately we cannot guarantee a 100% allergy-free environment.
